

Samindo Resources Maintain the Service Quality through ISO Certification

Jakarta, 1 March 2016 - PT Samindo Resources Tbk (the Company), a leading provider of integrated coal mining services, continues to maintain a commitment to providing excellent service to the customer of the Company. In order to maintain the commitment, from time to time the Company improve the standardization of services refers to the International Organization for Standardization (ISO). Throughout 2015, two subsidiaries of the Company have successfully added the ISO certificate in their portfolio, namely ISO 9004 certification on behalf of PT SIMS Jaya Kaltim and ISO 9001 on behalf of PT Mintec Abadi.

ISO 9004 with a focus on "Managing for the sustained success of an organization-A quality management approach", successfully achieved by PT SIMS Jaya Kaltim in terms of ground operation of mining. PT Kaltim Jaya SIMS itself is responsible for the Company's two main services, namely the activity of overburden removal and coal getting.

Certificates ISO 9004 is the phase from ISO 9001 by focus on the quality management system. However, there are significant changes to the substance, namely the addition of "Management of Sustainable Organizational Success". These certifications automatically provide complete guidance to organizations to create sustainable success by meeting the needs and expectations of the customer. The certification also encourages organizations to be able to perform a self-assessment as a tool to measure the maturity level of the organization.

Besides sertifikasi ISO 9004, the Company also successfully achieved ISO 9001 certification on behalf of PT Mintec Abadi, a subsidiary of the Company engaged in exploration drilling. "Two ISO certificates in the Company successfully achieved during 2015 is a testament to the Company's commitment to continuously improve the quality of service to the customer" said Hananto, Corporate Secretary of the Company.
